

Welcome from President Graham

"Thank you for taking the time to read this leaflet. I hope that you will find it an interesting insight into our Club's activities.

Rotary is an international service organisation which exists to help those in need and to provide fellowship and support to its members and the local and international community .

Quite simply, 'Rotary' means becoming involved in helping others, making new friends and enjoying ourselves in the process.

If this sounds interesting, why not come along to one of our meetings and see us in action?

It will give me great pleasure to welcome you to one of our regular Monday evening meetings ."

Graham Wallis President
